

Oklahoma Native Plant Society Northeast Chapter Meeting

Join us for fellowship and a presentation by our own Lynn Michael.

Lynn is excited to present upcoming field trips for the Virtual Spring BioBlitz that begins April 1st. For this, NE Chapter will have field trips to Tenkiller State Park, Lucky Springs near Peggs, Natural Falls State Park, and others.

Citizen scientists across the state can document plant and wildlife sightings in the month of April as part of the Virtual Spring BioBlitz!, hosted by the Oklahoma Biological Survey.

Bring a friend, snacks shared starting at 6:30 pm with Lynn Michael starting at 7:00 pm. We welcome all and look forward to seeing you there.

Date: March 5, 2018

Time: 6:30, speaker 7:00

Tulsa Garden Center, Ballroom (downstairs)
